

The Village of Glenview

Pre-Construction Public Meeting

Meeting Location: Glenview Village Hall - Burnham Board Room
2500 East Lake Avenue
Glenview, IL 60026

Meeting Date & Time: February 27, 2024. 6:00 P.M.

Subject: Valley Lo Lane Water Main Improvement Project
Valley Lo Lane from Tanglewood Drive to Wildberry Drive

The Village of Glenview is pleased to announce that your street has been scheduled for water main improvements during the 2024 (blue) & 2025 (red) construction season as shown on the map. This sort of infrastructure project helps maintain the community and enhance property values and eliminate/reduce water main breaks in your area.

The Village of Glenview invites **all residents along Valley Lo Lane** to a pre-construction meeting at which the following topics will be discussed:

- Proposed improvements as part of the Capital Improvement Program:
 - Replacement of the 55-year-old water main with a new, larger water main pipe
 - New 1 ½ inch water services and b-boxes
 - Pavement patching
 - Parkway and driveway restoration
 - Construction Schedule

- FAQs regarding construction

Village staff will share final plans and will be available to discuss the project schedule, logistics and answer questions. Tentatively in March/April you may see the contractor on your street mobilizing equipment and material, as well as workers from JULIE placing flags and marking the locations of underground utilities.

If you are unable to attend or would like to meet at a later date, please contact Tim Schwister at tschwister@glenview.il.us or 847-904-4422 to arrange a meeting.

Staff Contacts: Tim Schwister, Project Manager, (847) 904-4422
Adriana Webb, Engineering Division Manager, (847)904-4414
