RE: 2024 MFT Road Resurfacing Project

The Village of Glenview is pleased to announce that improvements to your street, as part of the 2024 MFT Road Resurfacing Project, are programmed for the 2024 construction season. This project includes the following work:

- Curb & gutter spot repairs
- Sidewalk spot repairs
- Road resurfacing
- Parkway restoration

The list of streets included in the 2024 MFT Road Resurfacing Project are as follows:

Street	From	To
Fielding Drive	<i>Primrose Lane</i>	<i>Constitution Drive</i>
Constitution Drive	<i>Fielding Drive</i>	<i>Independence Avenue</i>
Enterprise Drive	<i>Chestnut Avenue</i>	<i>Fielding Drive</i>
Annapolis Drive	<i>Fielding Drive</i>	<i>Constitution Drive</i>
Nimitz Drive	<i>Patriot Blvd</i>	<i>Constitution Drive</i>
Primrose Lane	<i>Indigo Lane</i>	<i>Fielding Drive</i>
Glen Oak Drive	<i>North End</i>	<i>Ridgewood Lane</i>
Linden Lane	<i>Wagner Road</i>	<i>West End</i>

Collins Avenue	<i>Bellwood Lane</i>	<i>North End</i>
Gregory Drive	<i>Milwaukee Avenue</i>	<i>End of CDS</i>
Arbor Lane	<i>Glenview Road</i>	<i>South End</i>
Highland Terrace	<i>Glenwood Avenue</i>	<i>Kenilworth Lane</i>
Johns Drive	<i>Chestnut Avenue</i>	<i>Ravine Way</i>
Lincoln Street Alleys	<i>Glenview Road</i>	<i>Dewes Street</i>
1324 Pfingsten Cul-de-Sac	<i>West End</i>	<i>Pfingsten Road</i>

Additional Details

All work for this project will take place within the Village of Glenview right-of-way areas. Driveways made of concrete or asphalt that are damaged by construction activities will be repaired as needed. Decorative driveways (stamped concrete or brick pavers) will NOT be replaced by The Village if damaged during

construction, however the Village offers one-time reimbursement option. Additional information will be provided at later date. If you have private property within these areas (for example, a sprinkler system, decorative rocks or plantings), remove them before construction work begins. **The Village will not replace or repair private items located in the public right-of-way that were damaged due to construction within the public right-of-way.**

Tentative schedule

The streets included on this project will be split into two groups for ease of construction. The tentative start time for the first group of streets will be in May or June with the start time of the second group being 3-4 weeks after that. You will be notified closer to the start date when construction on your street will start.

Information and Updates

If you would like weekly updates specific to this project, please email Eric Pugh at epugh@glenview.il.us. In your email, please include your address. These weekly updates will start one week before the project starts and will be sent on a weekly basis. Information in these emails will include activity happening in your area, any lane closures, or any other possible hinderances to traffic.

Frequent updates will be provided to you throughout construction via hand delivery, mail and/or email. Construction updates will also be posted weekly on the project webpage at:

<https://www.glenview.il.us/Pages/2024RoadReconstruction.aspx>

where you can also sign up on this webpage to get weekly updates via email regarding project status, road closures and other pertinent information.

Also, closer to construction you will receive a second letter notifying you of anticipated start date along with a website where you can sign up for general construction updates happening throughout the Village.

For further questions or clarifications please do not hesitate to contact the project manager, Eric Pugh at (847) 904-4235 or by email at epugh@glenview.il.us.
